

Total Customer Satisfaction.

Count on It.

"I get the highest quality electrical products, the most competitive prices— plus same day service and support..."

TEDDICO BWF is committed to Total Customer Satisfaction. This means a pledge to 24-hour order entry and 100% product availability. It's a promise that our agency sales reps will respond to your inquiries the very same day.

Ultimately, it's a company-wide assurance that we will meet or exceed your expectations for friendly customer service and on-time delivery from our 20 national inventories. Faster, more responsive, and easier to work with. That's how we're getting things done.
